

# Mission Statement

The MNPD Volunteer Chaplain Program is intended to support the mission of the police department by providing a source of strength to the law enforcement officers and their families, other department members, and the community. The Volunteer Chaplains support officers in the handling of crisis situations, comfort victims and their families when accidents occur, dealing with the loss of a family member, and provide counseling and other ministerial functions that may be needed.

MNPD Volunteer Chaplains 2021
