So once that initial contact is made with the students, teachers, support staff, and administrators, and in some cases the parents. Then we can build from there. MNPD/OCOP was invited to Jones Paideia Elementary Magnet School 1800 9th Ave North Nashville TN 37208 tomorrow/Monday morning to set-up a Meet and Greet with the school's K-4th grade of about 290 students. 113130	South	05/06/2022	School Event	Other	1	13	1.25	5100 Blue Hole Rd Antioch 37013	This was a really nice event because I got to participate and get to meet some kids from Light House Christian School and have them see a police officer and play with them. Some of them were a little nervous but by the end they were super happy to know a police officer. I helps a lot to be able to show the kids at an early age that they do not need to be afraid of us and coach their parents on not to tell the kids oh the police will take you to jail. Communication, sharing knowledge and building relationships is a great way to show our community engagement.
