

1,849 people experiencing homelessness were housed in Nashville from February 2022 through January 2023. This is a 5.4% decrease from last year (February 2021 through January 2022).

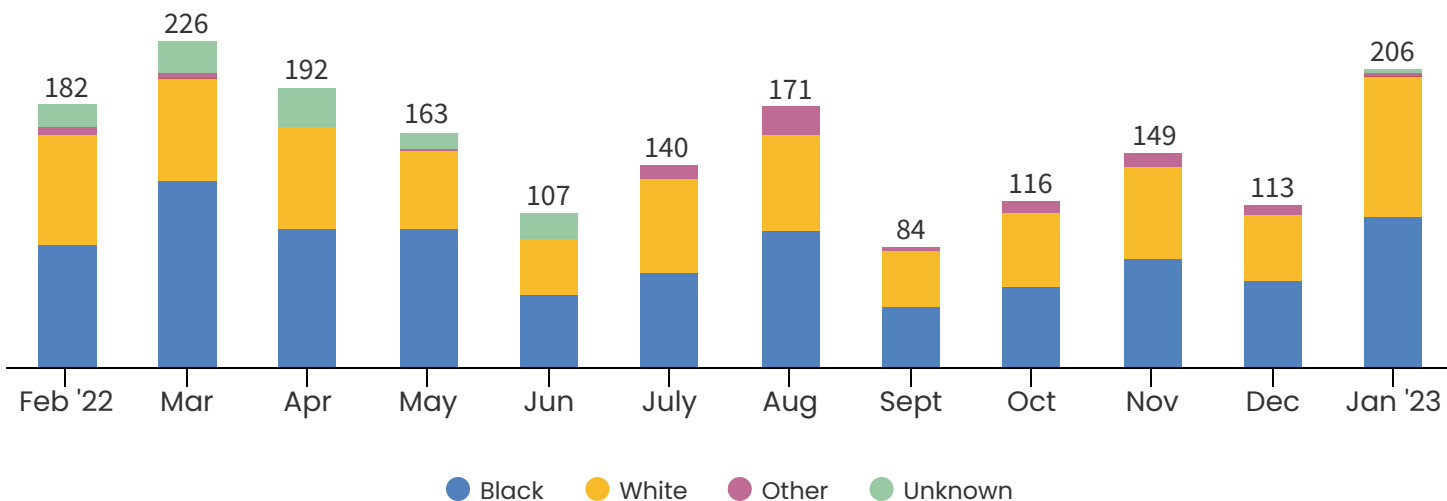

Source: De-duplicated Nashville–Davidson County HMIS data including permanent housing exits and move-in dates from **Emergency Shelters***, **Transitional Housing**, **Street Outreach**, **Rapid Rehousing**, **Permanent Housing**, **Coordinated Entry (CE)**, and **Domestic Violence Coordinated Entry (DV CE)****.

*This data does not include information from the Nashville Rescue Mission.

**DV CE data only includes the heads of household's information, and may under-represent the number of people fleeing domestic violence who were housed.

- January 2023 was the most successful month for permanent housing move-ins since March 2022.
- 12 veterans moved into housing with VASH vouchers- the highest monthly number since this report began.
- Only 1 person moved into Permanent Supportive Housing or Other Permanent Housing in January 2023.
